

ORDINANCE 1255

AN ORDINANCE AMENDING CHAPTER 4, OF THE CITY CODE OF THE CITY OF ULYSSES, KANSAS

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF ULYSSES, KANSAS:

ARTICLE 9. NUMBERING BUILDINGS

- 4-901. ODD AND EVEN NUMBERS. All dwelling and business houses facing south or west shall bear even numbers and those facing north or east shall bear odd numbers. The numbering shall commence at the following dividing lines:
- (a) Grant Avenue is hereby designated as the dividing line for all streets running in a northerly and southerly direction;
 - (b) Main Street and Wichita Drive is hereby designated as the dividing line for all streets running in an easterly and westerly direction.
- The numbers in each block shall be limited to 100 and advancing to the next hundred when a street is crossed or as otherwise provided herein. (R.O. 1960, 4-701)
- 4-902. SHORT STREETS. On all short streets and avenues the numbering shall correspond with the numbering on parallel streets extending through the city. For example, if a street commences three blocks from the dividing line, the numbering on such street shall commence with the number 400. This same rule shall apply in instance where block and street intersections do not correspond with each other. (R.O. 1960, 4-702)
- 4-903. NUMBERING OF BUILDINGS. A number shall be allotted to each 25 feet facing the street and shall be number consecutively. Whenever two buildings are located on the same 25 foot lot, the building farther from the street shall bear the same number assigned to the lot, but with the fraction "?" added. Whenever a single building has a greater frontage than 25 feet, it shall bear the number assigned to the lot on which the majority of the building is situated, or the number assigned to the lot on which the main entrance is located. It shall be the duty of the city clerk to furnish, upon application, information as to the correct number of a house or building. (R.O. 1960, 4-703)
- 4-904. PREMISES IDENTIFICATION. Approved numbers or addresses shall be placed on all new and existing buildings in such a position to be plainly visible and legible from the street or road fronting the property. Said numbers shall contrast with their background. The address shall be posted with numbers that are at least four (4) inches in height and have a minimum width of one-half inch. Buildings where it is not practical to post the address on the building, due to distance from the street, geographic considerations, or obstructions, may post the address in an approved location near the vehicular entry point to the property, on an approved sign. The location of sign, size of numbers, and height of the sign shall be subject to the approval of the building officia

EXCEPTION: Buildings with existing address numbers that are not in strict compliance with the size of number required by this section, that are plainly visible and legible from the street or road fronting the property, may be allowed to continue, subject to the approval of the building official, or their designee(s).

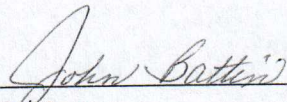

REPEAL: Any ordinance or portions thereof that are in conflict herewith are hereby repealed.

This ordinance shall be in full force and effect from and after its publication in the Ulysses News.

PASSED AND ADOPTED BY THE GOVERNING BODY OF THE CITY OF ULYSSES, KANSAS

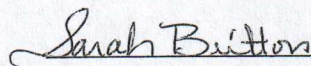

This 9th Day of March, 2016.
