

“Illegal Dumping”

WHAT IS ILLEGAL DUMPING?

Please be aware of the following information concerning illegal dumping of the trash & debris in and along alleyways and next to trash containers.

The City provides scheduled Spring & Fall Clean-Up Services. During these dates you may place items behind YOUR property, not next to the trash containers, for the city to remove at NO charge.

All residents may dispose of large items that will not fit into the trash container, including trees & shrubs to the Grant County Transfer Station located at 2700 E Hampton Rd.

DO NOT PLACE LARGE ITEMS NEXT TO TRASH CONTAINERS

If not disposed of properly there may be an increase in utility fees due to landfill costs, personnel wages and cost of equipment used to mitigate the trash and debris being placed in alleys or by trash containers.
